Final Term Sheet

Dated: April 4, 2019

Issuer: AutoZone, Inc.  
Trade Date: April 4, 2019  
Settlement Date: April 18, 2019 (T+10)

It is expected that the delivery of the 2024 Notes and the 2029 Notes will be made against payment therefor on April 18, 2019, which will be the tenth business day following the date of pricing of the notes (such settlement cycle being herein referred to as "T+10"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes on the date hereof or the next seven succeeding business days will be required, by virtue of the fact that the notes initially will settle on T+10 (on April 18, 2019) to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of notes who wish to trade notes on the date hereof or the next seven succeeding business days should consult their advisor.
