### ***What matters will be voted on at the Annual Meeting?***

At the Annual Meeting, stockholders will be asked to vote on the following proposals:

### ***How do I vote my shares?***

Yes, you may revoke your proxy at any time before it is voted at the meeting by:

Any business which could have been transacted at the meeting as originally scheduled can be conducted at the adjourned meeting.

## THE PROPOSALS

### **PROPOSAL 1-Election of Directors**

Eight directors will be elected at the Annual Meeting to serve until the annual meeting of stockholders in 2005. The eight persons nominated for director receiving the most votes will be elected. Since directors are elected by a plurality, abstentions and broker non-votes have no affect on their election ("broker non-votes" are shares held by banks or brokers on behalf of their customers that are not voted).

**The Board of Directors recommends that the stockholders vote FOR each of these nominees.** These nominees have consented to serve if elected. Should any nominee be unavailable to serve, your proxy will be voted for the substitute nominee recommended by the Board of Directors, or the Board of Directors may reduce the number of directors on the Board.

## **Independence**

### ***How many independent directors does AutoZone have?***

Our Board of Directors has determined that six of our current eight directors are independent: Charles M. Elson, Earl G. Graves, Jr., N. Gerry House, Edward S. Lampert, W. Andrew McKenna, and James J. Postl. All of these directors meet the independence standards of our Corporate Governance Principles and the New York Stock Exchange listing standards.

***How does AutoZone determine whether a Director is independent?***

In accordance with AutoZone's Corporate Governance Principles, a director is considered independent if the director:

- has not been employed by AutoZone within the last five years;
- has not been employed by AutoZone's independent auditor in the last five years;
- is not, and is not affiliated with a company that is, an adviser, or consultant to AutoZone or a member of AutoZone's senior management;
- is not affiliated with a significant customer or supplier of AutoZone;
- has no personal services contract with AutoZone or with any member of AutoZone's senior management;
- is not affiliated with a not-for-profit entity that receives significant contributions from AutoZone;
- within the last three years, has not had any business relationship with AutoZone for which AutoZone has been or will be required to make disclosure under Rule 404(a) or (b) of Regulation S-K of the Securities and Exchange Commission as currently in effect;
- receives no compensation from AutoZone other than compensation as a director;
- is not employed by a public company at which an executive officer of AutoZone serves as a director;
- has not had any of the relationships described above with any affiliate of AutoZone; and
- is not a member of the immediate family of any person with any relationships described above.

In determining whether any business or charity affiliated with one of our directors did a significant amount of business with AutoZone, our Board has established that any payments from either party to the other exceeding 1% of either party's revenues would disqualify a director from being independent.

## **Nominating and Corporate Governance Committee**

### ***What is the function of the Nominating and Corporate Governance Committee?***

The Nominating and Corporate Governance Committee ensures that:

- qualified candidates are presented to the Board of Directors for election as directors;
- the Board of Directors has adopted appropriate corporate governance principles that best serve the practices and objectives of the Board of Directors; and
- AutoZone's Articles of Incorporation and Bylaws are structured to best serve the objectives of the stockholders.

The Nominating Committee and Corporate Governance Committee's charter can be found at AutoZone's corporate web site at [www.autozoneinc.com](http://www.autozoneinc.com).

***Who are the members of the Nominating and Corporate Governance Committee?***

The Nominating and Corporate Governance Committee consists of Mr. Elson (Chairman) and Mr. Graves, both of whom are independent directors.

***How many times did the Nominating and Corporate Governance Committee meet during the last fiscal year?***

During the 2004 fiscal year, the Nominating and Corporate Governance Committee held four meetings.

**Director Nomination Process**

***What is the Nominating and Corporate Governance Committee's policy regarding consideration of director candidates recommended by stockholders? How do stockholders submit such recommendations?***

The Nominating and Corporate Governance Committee's policy is to consider director candidate recommendations from stockholders if they are submitted in writing to AutoZone's Secretary, accompanied by the biographical and business experience information regarding the nominee and the other information required by Article III, Section 1 of AutoZone's Third Amended and Restated By-Laws. Copies of the By-laws will be provided upon written request to AutoZone's Secretary and are also available on AutoZone's corporate web site at [www.autozoneinc.com](http://www.autozoneinc.com).

***What qualifications must a nominee have in order to be recommended by the Nominating and Corporate Governance Committee for a position on the Board?***

The Board believes each individual director should possess certain personal characteristics, and that the Board as a whole should possess certain core competencies. Such personal characteristics are integrity and accountability, informed judgment, financial literacy, mature confidence, high performance standards, and passion. Core competencies of the Board as a whole are accounting and finance, business judgment, management, crisis response, industry knowledge, international markets, strategy and vision. These characteristics and competencies are set forth in more detail in AutoZone's Corporate Governance Principles, which are available on AutoZone's corporate web site at [www.autozoneinc.com](http://www.autozoneinc.com).

***How does the Nominating and Corporate Governance Committee identify and evaluate nominees for director?***

Prior to each annual meeting of stockholders at which directors are to be elected, the Nominating and Corporate Governance Committee considers incumbent directors and other qualified individuals as potential director nominees. In evaluating a potential nominee, the Nominating and Corporate Governance Committee considers the personal characteristics described above, and also reviews the composition of the full Board to determine the areas of expertise and core competencies needed to enhance the function of the Board. The Committee may also consider other factors such as the size of the Board, whether a candidate is independent, how many other public company directorships a candidate holds, and the listing standard requirements of the New York Stock Exchange. The results of an annual self-evaluation process are also considered in the evaluation of future potential director nominees.

The Nominating and Corporate Governance Committee uses a variety of methods for identifying potential nominees for director. Candidates may come to the attention of the Committee through current Board members, stockholders or other persons. The Nominating and Corporate Governance Committee may retain a search firm or other consulting firm from time to time to identify potential nominees. Nominees recommended by stockholders in accordance with the procedure described above, i.e., submitted in writing to AutoZone's Secretary, accompanied by the biographical and business experience information regarding the nominee and the other information required by Article III, Section 1 of AutoZone's Third Amended and Restated By-Laws, will receive the same consideration as the Committee's nominees.

**Procedure for Communication with the Board of Directors**

***How can stockholders communicate with the Board of Directors?***

Stockholders may communicate with the Board of Directors by writing to the Board, to any individual director or to the non-management directors as a group c/o Corporate Secretary, AutoZone, Inc., 123 South Front Street, Memphis, Tennessee 38103. All such communications will be forwarded unopened to the addressee. Communications addressed to the Board of Directors or to the non-management directors as a group will be forwarded to Charles M. Elson, an independent director, and communications addressed to a committee of the Board will be forwarded to the chairman of that committee.

## **Compensation of Directors**

### ***What compensation do directors receive?***

All non-employee directors are paid an annual retainer of \$40,000 per year, with the Audit Committee chairman receiving an additional \$10,000 and the chairmen of the Compensation and Nominating and Corporate Governance committees receiving an additional \$5,000 per year. Mr. Lampert has waived his right to receive the additional retainer as Compensation Committee chairman. There are no meeting fees.

Under the AutoZone, Inc. 2003 Director Compensation Plan, a non-employee director may receive no more than one-half of the annual retainer and other fees immediately in cash, and the remainder of the fees must be taken in common stock or may be deferred in units with value equivalent to the value of shares of common stock as of the grant date.

### ***Do the directors receive stock options?***

Under the AutoZone, Inc. 2003 Director Stock Option Plan, on January 1 of each year, each non-employee director receives an option to purchase 1,500 shares of common stock, and each non-employee director that owns common stock worth at least five times the annual fee paid to each non-employee director on an annual basis will receive an additional option to purchase 1,500 shares of common stock. In addition, each new director receives an option to purchase 3,000 shares upon election to the Board of Directors, plus a portion of the annual directors' option grant prorated for the portion of the year served in office. These stock option grants are made at the fair market value of the common stock as of the grant date, defined in the plan as the average of the highest and lowest prices quoted for the common stock on the New York Stock Exchange on the business day immediately prior to the grant date.

## **PROPOSAL 2-Approval of the AutoZone, Inc. 2005 Executive Incentive Compensation Plan**

Our Board of Directors is recommending approval of the AutoZone, Inc. 2005 Executive Incentive Compensation Plan to replace our Amended and Restated 2000 Executive Incentive Compensation Plan, which expires on December 9, 2004. Approval of the plan requires that more votes be cast in favor of the plan than votes cast against. Abstentions and broker non-votes will not be counted as voting either for or against.

### **The Board of Directors recommends that the stockholders vote FOR the 2005 Executive Incentive Compensation Plan.**

The following is a summary of the AutoZone, Inc. 2005 Executive Incentive Compensation Plan. For complete details, refer to the plan, which is reproduced in its entirety as Exhibit A to this Proxy Statement.

### ***What is the 2005 Executive Incentive Compensation Plan?***

The Internal Revenue Code (the "Code") prohibits us from deducting compensation in excess of \$1 million for the chief executive officer and our other four most highly paid officers unless the compensation in excess of \$1 million is based on an objective measure of performance. The AutoZone, Inc. 2005 Executive Incentive Compensation Plan is intended to qualify as a performance-based compensation plan under the Code so that performance bonuses paid to our executive officers are tax deductible to AutoZone. The plan requires that the Compensation Committee establish objective performance goals and that the performance goals be met before a participant may receive a bonus.

### ***Who is eligible to participate in the plan?***

The Company's executive officers, as determined by the Compensation Committee, are eligible to participate in the plan.

### ***How are performance goals established?***

Under the plan, at the beginning of each fiscal year, the Compensation Committee must establish a goal, which may be a range from a minimum to a maximum attainable bonus. The goal may be based on one or more of the following measures:

- Earnings
- Earnings per share
- Sales
- Market share
- Operating or net cash flows
- Pre-tax profits
- Earnings before interest and taxes
- Return on invested capital
- Economic value added
- Return on inventory
- EBIT
- Gross profit margin
- Sales per square foot
- Comparable store sales

The goal may be different for different executives. No bonus may be paid under the plan unless at least the minimum goal is attained. However, the Compensation Committee may disregard for goal purposes one-time charges and extraordinary events such as asset write-downs, litigation judgments or settlements, the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results, accruals for reorganization or restructuring, and any other extraordinary non-recurring items, acquisitions or divestitures and any foreign exchange gains or losses.

### ***How is the bonus paid under the plan?***

After the end of each fiscal year, the Compensation Committee must certify the attainment of goals, if any, under the plan and direct the amount to be paid to each participant. The Committee, in its discretion, may reduce or eliminate any bonus to be paid to an executive, even if a goal was attained. The bonus may only be paid after the attainment of the goals has been certified. The bonus will be paid in cash.

**What is the maximum compensation that a participant may receive under the plan?**

No participant may receive more than \$4 million as a bonus under the plan.

**Does AutoZone currently have an executive incentive compensation plan?**

Currently, the AutoZone, Inc. Amended and Restated 2000 Executive Incentive Compensation Plan is in effect, but it will expire on December 9, 2004. Therefore, we are proposing the new plan.

**What are the differences between the new plan and the existing plan?**

The maximum bonus under the existing plan was the lesser of 200% of the executive's annual salary or \$2 million as a bonus under the plan. The new plan will allow up to \$4 million to be paid as a bonus. Also, the existing plan gave the Compensation Committee the discretion to pay bonuses in whole or in part in common stock, while the new plan provides that bonuses will be paid in cash.

**Who participated in the existing plan last fiscal year?**

Twelve AutoZone executives were granted bonuses under the existing plan for fiscal 2004. This table shows bonuses for the named executive officers and all executive officers as a group under the existing plan for the 2004 fiscal year:

**2000 Executive Incentive Compensation Plan  
Fiscal 2004 Awards**

<b>Name and Position</b>	<b>Dollar Value (\$)</b>
Steve Odland Chairman, President & Chief Executive Officer	1,282,000
Michael E. Longo Executive Vice President, Supply Chain, Information Technology, Mexico & Store Development	251,351
Michael Archbold Executive Vice President, Chief Financial Officer	241,233
Robert D. Olsen Senior Vice President, Mexico & Store Development	236,204
Harry L. Goldsmith Senior Vice President, General Counsel & Secretary	229,163
Executive Group <sup>1</sup>	3,127,918

<sup>1</sup>Twelve persons, including all of the persons named above.

It is not possible at this time to determine what awards may be granted under the proposed AutoZone, Inc. 2005 Executive Incentive Compensation Plan to the named executive officers and all executive officers as a group. If the AutoZone, Inc. 2005 Executive Incentive Compensation Plan had been in effect in fiscal 2004, such officers and group of officers would not have received awards that were different in type or amount than those that they actually received in fiscal 2004.

### PROPOSAL 3-Ratification of Independent Registered Public Accounting Firm

Ernst & Young LLP, our independent auditor for the past seventeen fiscal years, has been selected by the Audit Committee to be AutoZone's independent registered public accounting firm for fiscal year 2005. Representatives of Ernst & Young LLP will be present at the Annual Meeting to make a statement if they so desire and to answer any appropriate questions.

**The Audit Committee recommends that you vote FOR ratification of Ernst & Young LLP as AutoZone's independent registered public accounting firm.** For ratification, the firm must receive more votes in favor of ratification than votes cast against. Abstentions and broker non-votes will not be counted as voting either for or against the firm. However, the Audit Committee is not bound by a vote either for or against the firm. The Audit Committee will consider a vote against the firm by the stockholders in selecting our independent registered public accounting firm in the future.

During the past two fiscal years, the aggregate fees for professional services rendered by Ernst & Young LLP were as follows:

	2004	2003
Audit Fees	\$ 621,100	\$ 562,954
Audit Related Fees <sup>1</sup>	12,000	—
Tax Fees <sup>2</sup>	464,845	617,357
All Other Fees	—	—

<sup>1</sup>Audit Related Fees were for Sarbanes-Oxley Section 404 advisory services.

<sup>2</sup>Tax Fees for 2004 and 2003 were for tax compliance assistance and assistance with audits and tax planning, which for 2004 consisted of \$83,442 for tax compliance assistance and \$381,403 for assistance with audits and tax planning, and in 2003 consisted of \$149,795 for tax compliance assistance and \$467,562 for assistance with audits and tax planning.

The Audit Committee pre-approves all services performed by the independent registered public accounting firm under the terms contained in the Audit Committee Charter, a copy of which can be obtained at our web site at [www.autozoneinc.com](http://www.autozoneinc.com). The Audit Committee pre-approved 100% of the services provided by Ernst & Young LLP during the 2004 fiscal year. The Audit Committee considers the services listed above to be compatible with maintaining Ernst & Young LLP's independence.

### **Audit Committee Report**

The Audit Committee of AutoZone, Inc., has reviewed and discussed AutoZone's audited financial statements for the year ended August 28, 2004, with AutoZone's management. In addition, we have discussed with Ernst & Young LLP, AutoZone's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, the Sarbanes-Oxley Act of 2002, and the charter of the Committee.

The Committee also has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, and we have discussed with Ernst & Young LLP their independence from the Company and its management. The Committee has discussed with AutoZone's management and the auditing firm such other matters and received such assurances from them as we deemed appropriate.

As a result of our review and discussions, we have recommended to the Board of Directors the inclusion of AutoZone's audited financial statements in the annual report for the fiscal year ended August 28, 2004, on Form 10-K for filing with the Securities and Exchange Commission.

While the Audit Committee has the responsibilities and powers set forth in its Charter, the Audit Committee does not have the duty to plan or conduct audits or to determine that AutoZone's financial statements are complete, accurate, or in accordance with generally accepted accounting principles; AutoZone's management and the independent auditor have this responsibility. Nor does the audit committee have the duty to assure compliance with laws and regulations and the policies of the Board of Directors.

## **Compensation Committee Report on Executive Compensation**

AutoZone's executive compensation program is designed to attract and retain executives who are key to our long-term success. In this process, we want to align an executive's compensation with AutoZone's attainment of business goals and the increase in stockholder value. The Compensation Committee reviews executive compensation annually and makes appropriate adjustments based on company performance, achievement of predetermined goals, and changes in an executive's duties and responsibilities. The compensation of other AutoZone employees is based on a similar philosophy.

### ***Compensation Philosophy***

Executive compensation consists of salary, bonus, and stock options.

**Salary.** The Compensation Committee desires that overall compensation reflect each executive's performance over time. Base salaries are set at levels determined by the Compensation Committee to adequately reward and retain capable executives.

At the beginning of each fiscal year, the Compensation Committee reviews and establishes the annual salary of executive officers. The Committee makes an independent determination of the appropriate level of these officers' salaries taking into consideration the salary ranges recommended for a particular position by outside compensation consultants, and each executive officer's performance for the past fiscal year.

**Bonus.** Each fiscal year executive officers are paid a bonus based on the attainment of goals set by the Compensation Committee. The goals for fiscal year 2004 were based on AutoZone's earnings before interest and taxes (EBIT) and return on invested capital (ROIC). The Compensation Committee establishes a bonus payout matrix at the beginning of the fiscal year granting higher rewards as a percentage of annual salary as milestones shown on the matrix are achieved. The better AutoZone's performance, the higher the bonus payout. As a general matter, as an executive's level of management responsibility increases, the portion of his or her total compensation dependent on Company performance as measured by business goals increases.

**Stock Options.** To align the long-term interests of management and our stockholders, the Compensation Committee awards stock options to many levels of management. Stock options may be granted to executives upon initial hire and thereafter annually in accordance with guidelines established by the Committee. The guidelines allow for a range of potential option shares to be granted for each position, with the actual grant determined by the performance of the individual in the position.

### ***CEO Compensation***

The Compensation Committee approves the compensation level for the Chief Executive Officer, including salary and incentive compensation, and reviews and approves any long-term incentive awards for the CEO.

AutoZone's Chief Executive Officer, Steve Odland, received an annual base salary in fiscal year 2004 of \$1 million. He was also paid a bonus of \$1,282,000, which was calculated in accordance with the bonus matrix discussed above. The bonus paid was a result of the increase in EBIT to \$999 million from \$918 million and an increase in ROIC to 25.1% from 23.4%.

### ***Tax Deductions for Compensation***

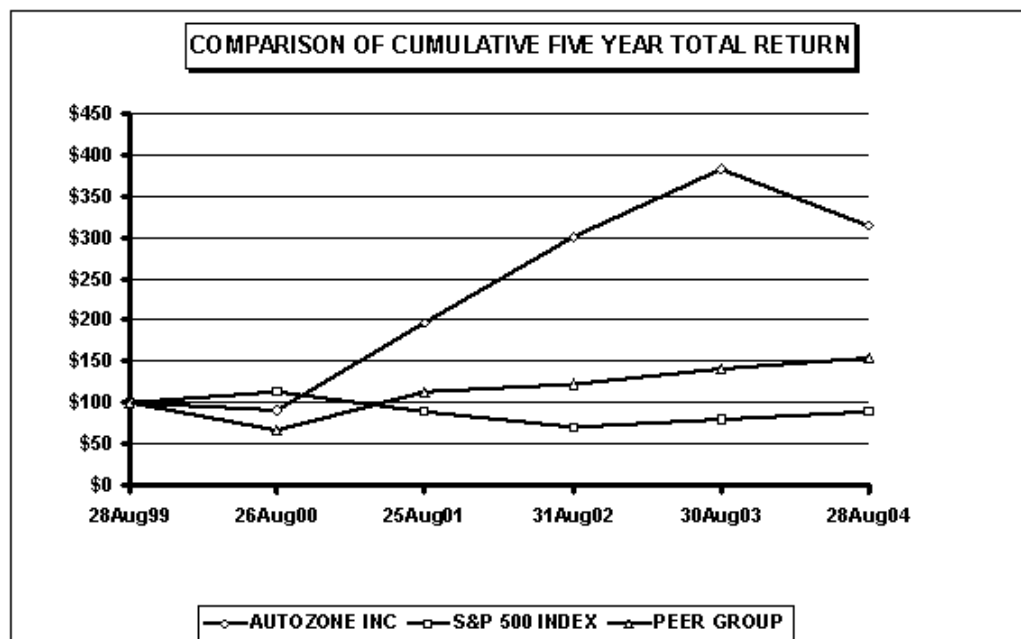

The federal tax code limits the amount of compensation that we may deduct in any year for the Chief Executive Officer and our other four most highly paid officers to \$1 million. However, this deduction limitation does not apply to performance-based compensation as defined in the tax code. Our compensation plans are generally designed and implemented so that they qualify for deductibility. However, we may from time to time pay compensation to our executive officers that may not be deductible.

This report was unanimously adopted by the Compensation Committee.

## Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Effective October 23, 2003, Mr. Odland's employment agreement, originally entered in 2001, was amended and restated to provide for a term expiring at the end of 2007, unless terminated earlier as described in this section. The agreement provides that Mr. Odland will serve as Chairman of the Board and Chief Executive Officer through December 31, 2007, at a minimum annual base salary of \$1 million and a minimum bonus eligibility of 100% of base salary under our Executive Incentive Compensation Plan. After 2007, his employment will be at will and may be terminated by AutoZone or Mr. Odland at any time, subject to the obligations of AutoZone described below.

Mr. Odland's employment agreement provides that upon a termination of the agreement before January 1, 2008, by AutoZone without cause, or by Mr. Odland for good reason or upon a change of control as defined in the agreement (collectively, a "Covered Termination"), Mr. Odland will resign from the Board of Directors and cease to be Chief Executive Officer, but will remain an employee of AutoZone, performing services as requested by the Chief Executive Officer, and be paid his base salary through December 31, 2007, but not longer than three years (the "Continuation Period") plus any earned and unpaid bonus for the prior fiscal year and a full bonus for the fiscal year in which the agreement is terminated. His stock options will continue to vest and may be exercised as set forth in the applicable stock option agreements until the end of the Continuation Period. At the end of the Continuation Period, Mr. Odland's employment will terminate and he will receive severance benefits consisting of an amount equal to 2.99 times his then-current base salary (less amounts paid to him as salary during the Continuation Period) and continued health insurance coverage generally until the third anniversary of the termination of the agreement (collectively, the "Severance Benefits"). Further stock option exercise and vesting after the end of the Continuation Period will be governed by the terms of the applicable stock option agreements.

If a Covered Termination occurs after December 31, 2007, Mr. Odland's employment will cease immediately and he will receive the Severance Benefits plus any earned and unpaid bonus for the prior fiscal year and a full bonus for the fiscal year in which the agreement is terminated. Additionally, any grants of stock options and other equity compensation made after the effective date of the agreement will vest in full and become immediately exercisable, and he generally will have 90 days to exercise such options or other equity compensation.

If the agreement is terminated by AutoZone for cause, as defined in the agreement, or by Mr. Odland without good reason, Mr. Odland's employment will terminate and he will cease to receive any further salary, bonus or benefits (other than pursuant to the AutoZone Pension Plan or required by law). All stock options granted will be governed by the terms of the applicable stock option agreements.

In any event, after the termination of the agreement or Mr. Odland's employment, Mr. Odland agrees not to compete with AutoZone or to hire or encourage others to hire any of our employees for a period of three years.

Mr. Goldsmith has an employment agreement providing that he is employed by AutoZone at a minimum base salary of \$216,000 and a minimum bonus eligibility of 60% of base salary at predetermined targets. Mr. Longo has an employment agreement providing that he is employed by AutoZone at a minimum base salary of \$225,000 and a minimum bonus eligibility of 50% of base salary at predetermined targets. Mr. Olsen has an employment agreement providing that he is employed by AutoZone at a minimum base salary of \$285,000 and a minimum bonus eligibility of 60% of base salary. All minimum salaries and bonuses are subject to increase by the Compensation Committee.

All agreements continue until terminated either by the executive or by us. If an agreement is terminated by us for cause, or by the executive for any reason, the executive will cease to be an employee, and will cease to receive salary, bonus, and other benefits. If his agreement is terminated by us without cause, Mr. Goldsmith and Mr. Longo each will remain employees for three years after the termination date, Mr. Olsen will remain an employee for two years after the termination date, and each will continue to receive his then-current salary and other benefits of an employee, and will receive a prorated bonus for the fiscal year in which he was terminated, but no bonuses thereafter. Each executive's stock options will continue to vest and may be exercised in accordance with the respective stock option agreements until the end of the Continuation Period, after which further stock option exercises and vesting will be governed by the terms of the respective stock option agreements. If the executive is terminated from his position by us or by the executive for reasons other than a change in control, then the executive will be prohibited from competing against AutoZone for the period of time after the termination date. "Cause" is defined in each agreement as the willful engagement by the executive in conduct which is demonstrably or materially injurious to AutoZone, monetarily or otherwise. "Change in control" in each agreement means either the acquisition of a majority of our voting securities by or the sale of substantially all of our assets to a non-affiliate of the company.

The AutoZone, Inc. Second Amended and Restated Director Compensation Plan and the AutoZone, Inc. Fourth Amended and Restated 1998 Director Stock Option Plan were approved by the Board, but were not submitted for approval by the stockholders as then permitted under the rules of the New York Stock Exchange. Both of these plans were terminated in December 2002 and were replaced by the 2003 Director Compensation Plan and the 2003 Director Stock Option Plan, respectively, after the stockholders approved them. No further grants can be made under the terminated plans. However, any grants made under these plans will continue under the terms of the grant made. Only treasury shares are issued under the terminated plans.

Under the Second Amended and Restated Director Compensation Plan, a non-employee director could receive no more than one-half of the annual and meeting fees immediately in cash, and the remainder of the fees were taken in common stock or deferred in stock appreciation rights.

Under the Fourth Amended and Restated 1998 Director Stock Option Plan, on January 1 of each year, each non-employee director received an option to purchase 1,500 shares of common stock, and each non-employee director that owned common stock worth at least five times the annual fee paid to each non-employee director on an annual basis received an additional option to purchase 1,500 shares of common stock. In addition, each new director received an option to purchase 3,000 shares upon election to the Board of Directors, plus a portion of the annual directors' option grant prorated for the portion of the year actually served in office. These stock option grants were made at the fair market value as of the grant date.

**AUTOZONE, INC.  
2005 EXECUTIVE INCENTIVE COMPENSATION PLAN**

**1. Purpose**

The AutoZone, Inc. 2005 Executive Incentive Compensation Plan ("Plan") is designed to provide incentives to eligible employees of AutoZone, Inc. (the "Company") and its affiliates who have significant responsibility for the success and growth of the Company and assist the Company in attracting, motivating, and retaining key employees on a competitive basis. The Plan is designed to ensure that the annual bonus paid pursuant to this Plan to eligible employees of the Company is deductible under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). This Plan shall be ratified by the Company's stockholders pursuant to 26 C.F.R. § 1.162-27(e)(4)(vi) at the annual meeting to be held on December 16, 2004, and shall be effective for the entire 2005 fiscal year. If the stockholders do not ratify the Plan, the Plan shall not become effective.

**2. Administration of the Plan**

The Plan shall be administered by the Compensation Committee of the Board of Directors of the Company ("Committee"). The Committee shall be appointed by the Board of Directors of the Company and shall consist of at least two outside directors of the Company that satisfy the requirements of Code Section 162(m). The Committee shall have the sole discretion and authority to administer and interpret the Plan in accordance with Code Section 162(m). The Committee's interpretations of the Plan, and all actions taken and determinations made by the Committee pursuant to the powers vested in it hereunder, shall be conclusive and binding on all parties concerned, including the Company, its stockholders and any person receiving an award under the Plan.

**3. Eligibility**

The individuals entitled to participate in the Plan shall be the executive officers of the Company, as determined by the Committee.

**4. Awards**

Executive officers as determined by the Committee may be granted annual incentive awards under this Plan at such times of each year as will satisfy the requirements of Code Section 162(m), provided, however, that if an individual becomes an executive officer during a year, an incentive goal for that individual shall be made for that fiscal year at the time she or he becomes an executive officer. The Committee may, in its discretion, grant annual incentive awards to non-executive officers and managers of the Company outside of this Plan.

The annual incentive award to each executive officer shall be based on the Company, a subsidiary or division, attaining one or more of the following objective goals as established by the Committee for the fiscal year:

- (a) earnings
- (b) earnings per share
- (c) sales
- (d) market share
- (e) operating or net cash flows
- (f) pre-tax profits
- (g) earnings before interest and taxes
- (h) return on invested capital
- (i) economic value added
- (j) return on inventory
- (k) EBIT
- (l) gross profit margin
- (m) sales per square foot
- (n) comparable store sales

Different measures of goal attainment may be set for different plan participants. The performance goal may be a single goal or a range with a minimum goal up to a maximum goal, with corresponding increases in the incentive award up to the maximum award set by the Committee and as may be limited by this Plan. Such performance goals may disregard, at the Committee's discretion, the effect of one-time charges and extraordinary events such as asset write-downs, litigation judgments or settlements, changes in tax laws, accounting principles or other laws or provisions affecting reported results, accruals for reorganization or restructuring, and any other extraordinary non-recurring items, acquisitions or divestitures and any foreign exchange gains or losses. These goals shall be established by the Committee either by written consent or as evidenced by the minutes of a meeting at such times as to qualify amounts paid under this Plan for tax deductible treatment under Code Section 162(m).

Payment of an earned award will be made in cash. Upon completion of each fiscal year, the Committee shall review performance versus the established goal, and shall certify (either by written consent or as evidenced by the minutes of a meeting) the specified performance goals achieved for the fiscal year (if any), and direct which award payments are payable under the Plan, if any. No payment will be made if the minimum pre-established goals are not met. The Committee may, in its discretion, reduce or eliminate an individual's award that would have been otherwise paid. No individual may receive in any one fiscal year an award under the Plan of an amount greater than \$4 million.

**5. Miscellaneous Provisions**

(a) The Company shall have the right to deduct all federal, state, or local taxes required by law or Company policy from any award paid.

(b) Nothing contained in this Plan grants to any person any claim or right to any payments under the Plan. Such payments shall be made at the sole discretion of the Compensation Committee.

(c) Nothing contained in this Plan or any action taken by the Committee pursuant to this Plan shall be construed as giving an individual any right to be retained in the employ of the Company.

(d) The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the payment of any award under the Plan.

(e) The Plan may be amended, subject to the limits of Code Section 162(m), or terminated by the Committee at any time. However, no amendment to the Plan shall be effective without prior approval of the Company's stockholders which would (i) increase the maximum amount that may be paid under the Plan to any person or (ii) modify the business criteria on which performance targets are to be based under the Plan.

(f) This Plan shall terminate on the fifth anniversary after the date of ratification by the Company's stockholders.
